

STUDENTS

Transfer Students**A. Transfers Within the County**

The Superintendent may develop regulations to open and close individual schools to transfers. The superintendent may permit the transfer of a student from one school to another in the county pursuant to these regulations.

B. Change of Residence Within the County

A student whose parents or guardian changes residence within the county from one school attendance area to another attendance area shall, upon the request of the parent or guardian, be permitted to continue to attend the school in which the student is enrolled until the end of the then current semester. There will be no tuition charge. The parent or guardian shall be responsible for transporting the student to and from school unless otherwise provided by law.

C. Attendance Zone Transfers for Children of Teachers Who are Residents of Stafford County

Full-time certificated employees who were employed prior to May 9, 1989, and who reside in Stafford County may enroll their children in the school of their choice. Otherwise, children of full-time certificated employees shall only be considered for transfers within the county under the conditions outlined in this policy.

D. Attendance Zone Transfers for Children of Employees who Are Residents of Stafford County

A full-time employee, or bus driver, who is a legal resident of Stafford County may enroll his/her child in the school at which the employee works, even though the school is outside the child's regular attendance zone, provided that the school is grade appropriate, any services required by the child are available at the school, the employee is either the parent or legal guardian of the child, and further provided that the child resides with the employee. For purposes of this policy only the term employee shall include bus driver and a bus driver's place of employment shall include each of the schools on the driver's regular bus route. Provided that all conditions set forth above continue to be met, in the event that the work site of the employee changes during the course of the school year then at the employee's option the child may continue to attend until the end of then current school year the school where the employee previously worked, or may be enrolled at the
